WRITE TO INFORM

Directions: Using what you have learned over time in any of the three modules in the Enrichment Kits, write an informative piece to explain the importance of your topic. You may type it and paste it below. Be sure to include the following:

-  • Clearly expressed information
-  • Definitions, classifications or compared contrast to introduce and organize your ideas
-  • Headings, visuals and multimedia
-  • Appropriate facts, details, quotation or other information and examples
-  • Appropriate transitions and precise wording
-  • A conclusion that follows the information and explanations presented
